

## THE RESOURCES PROVIDED

### 1 THE POND

Durable, wipe clean, transportable 'pond' mat which forms the focus for your Rainbow Pond Music activities. *It is recommended that children wear shoes or bare feet to reduce the risk of slippage. It is not recommended for children to walk or jump on the pond.*

### 2 CHARACTER MATS

88 character mats (machine washable at low temperature) that are used in music making. Extra light green frog and tadpole mats are provided to be used to teach rhythm. Doubling up as an F note when moving on to pitch. There are 16 lily pads to illustrate pulse and rests (silences).

### 3 STICKERS

Non permanent stickers are provided so that you can customise your existing pitched instruments. These can then be used alone or in conjunction with the Rainbow range of instruments.

### 4 Teaching Folder

The Teaching folder is divided into easy to access sections, see index page 3 for further details.

**5 Disc 1** All materials are also available digitally on the Media Disk. You have permission to make as many copies of resources as you need for your setting, but normal copyright remain in duplicating for other places and for resale. The Media Disk also contains the support films - index can be found at the back of the folder, along with the CD track listings.

### 6 Disc 2

This Audio CD contains 48 tracks which support the lesson plans and 'chance to play' continuous provision activities. Song tracks are included with and without vocals. Tracks are also provided with gaps to create new patterns in 'play in the gap' activities. You will find a bonus track on the end called 'Rainbow Rag' (track 48) this is an example of 'start stop' music, ideal to use as a warm up or warm down, where children can freely explore the instruments along with the track (unpitched percussion is recommended) and learn when to stop when the music stops. Have fun!

### 7 LAYOUTS

Hessian bag to help you transport your character mats and pond when working outside of the classroom
