

Cornwall Boys' Choir

Rehearsal and Concert Schedule

Autumn 2018

This rehearsal schedule for Cornwall Boys' Choir consists of the local twice monthly rehearsals (in venues based in Penzance, Falmouth, Truro, St Dennis, and Saltash), managed by individual local choir leaders as well as the mass choir monthly weekend rehearsals based in Truro. The full choir rehearsals are for all singers of all local groups together with our team of choir leaders and vocal mentor.

We ask please that all singers attend all rehearsals, not simply the locally-based rehearsals held across the county, as it has been proven over the years that those attending all rehearsals regularly benefit much more, not only in terms of vocal ability and performance skill, but socially, gaining confidence and forging friendships. We are also able to progress much quicker if we can work consistently across the choir.

From time to time throughout the year, new prestigious offers to perform come our way, and we make decisions about our participation in these as we receive them. Any such offers will be emailed to you directly.

Cornwall Music Education Hub
